

# 5 BENEFITS OF USING FLEX STAFFING

## REDUCE PAYROLL COSTS

Use our staff only when you need the help. This allows you to reduce your business costs during slower times. You won't have the burden of making sure payroll costs are taken care of when you employ on a project-by-project basis.

## ADJUST TO FLUCTUATING NEEDS

Things can change in a split second with a new order. With Semper's Flex Staffing, we are ready year-round to staff your projects. Regardless of the type of employee you need, we have you covered.

## REDUCE YOUR RISK

As a part of Semper Flex Staffing services, all employees provide for your projects are covered under our liability and workers' compensation insurance policies. You don't take on any of these risks or expenses.

## TAKE ON ANY ORDERS

Do you want to say yes to a large new order but don't have enough employees to fulfill it or need to temporarily add another shift? Flex Staffing puts an end to these conundrums. Say YES to all business! We will have you staffed up to produce it ASAP.

## MAKE SURE IT IS A FIT

Our Flex-to-Hire option allows you to see for yourself how an employee works and fits in with your team. If they aren't right for your role, no problem! We will staff them elsewhere in the industry and find you a new candidate.
